Relief and Rebuilding in Aceh – Indonesia  
[www.acehrelief.org](http://www.acehrelief.org)

In the morning of December 26th, in South-East Asia, the Indian Ocean had opened its maw; earthquake and tsunami swallowed islands and people. Within minutes, hundreds of thousands of lives are altered in eleven countries. Aceh in Indonesia was worst hit by tsunami: more than 230,000 people were killed and half a million people were displaced.
